The Modern Woodmen of America o

the District completed a strenuous campaign for new members on Friday night, May 14, when 151 candidates were initiated into the order at a joint meeting of several of the campo women from the West. This is the quadrenid convention, and Miss Bina were present, including a large number of members of the camp at Laytonsville, Md., who brought seven-teen members for obligation, and representatives from Bladensburg Mount Airy, Md. A special degree team composed of H. H. Millard, Dr. John W. Sutherin, J. A. Moody, John Gartland, B. G. Cowles, F. A. Royse C. A. Miller, J. W. Downs, Daniel Web-ster, V. W. Potter, and John J. Hughes conducted the initiatory ceremonies. The close attention and frequent applause of the audience testified to their interest. State Deputy William McCaffery delivered a short address, followed by the guest of the evening Supreme Organizer Ralph E. Johnson, of Lincoln, Neb., in whose honor the class received its name. District Depbest thought in every State, and as a result, every State has its own leader who is an expert also in her line of lumbia. Classical and the presiding officer, presented a silver loving cup to Mr. Johnson on behalf of Central, Cowork. lumbia, Georgetown, Lincoln, Potomac Talbot, and West End Camps. Mr Johnson delivered an excellent speech on Woodcraft and congratulated the District camps on their good showing.

A banquet was served in one of the local cafes after adjournment. Re marks were made by a number of those present, particular attention being paid to the talk by State Lec-turer Dr. B. F. Gibbs, who is about again after a long illness. Daniel Webster, probably the oldest member in point of service in the District,

spoke reminiscently. Central Camp, No. 16015, held a short meeting on Friday night, adjourning early to join with other camps of the District in the joint exercises in conwhich met in Switzerland in 1988, and is interested in the welfare of the women number of candidates and the Ralph of her country. Her time is now fully taken up, however, advancing the cause five applications were received and
